Buzzard Evo Forward

The Buzzard Evo forward range has been specifically designed for the large scale contractor and agency.

With the added advantage of forward reach, give improved visibility for the operator along with a large choice in specification, and fully proportional controls.

Key Features

- 7.25m or 8m reach
- 1.2m or 1.5m cutting heads
- Oil cooled as standard
- ICS fully proportional controls

Want to know more about the Buzzard Evo Fwd range? Scan the QR code with a smart phone

Scan the QR code with a smart phon or tablet to instantly view the page.

Impressive reach 3 arm design gives versatile reach characteristics for flexibility around obstacles.

Transport position Folding 3rd arm allows compact transport position.

Powerful 74hp hydraulics For continuous use. Twin pumps with separate oil tank.

Product Specification

7.25mT (23'9") 8.0m T (26'3") **Buzzard Evo FWD** Tractor requirements Minimum horse power 120hp 140hp 5500kg 12125lbs 6000kg 13228lbs Minimum weight Base unit mounting options Front mount Mid-mount -_ Rear mount . Three point linkage (Cat 11) --Axle bracket . . Overall machine parameters 2290kg 5049lbs 2490kg 5490lbs Machine weight with head and oil 250L 66USG 250L Capacity of oil tank 66USG Weight of machine with oil but 2000kg 4409lbs 2200kg 4850lbs without head Controls Cable Control (CC) 0 0 0 Low pressure hydraulics (LPH) 0 Electronic proportional control (EPP) 0 0 Intelligent control system (ICS) ٠ ٠ Cable rotor reverse --Electronic rotor reverse • ٠ Hydraulic system System capability 74hp 74hp 125L 125L Pump flow rate 33USG 33USG
